I'm, baby, I need some

I need your turkey, yeah, it's so good.

Some mashed, some mac'n

You got me begging, I need, please.

CHORUS

Im excited for day

Coz I get to eat all day

And I'll finish with andSome

Grandma's making her famous stuffing

And we're gonna make broccoli and

Maybe even some warm apple bake

....., yes, please. And don't forget the gravy

I'm right here, coz I need cornbread dressing and some cranberries

Go and fix up that bird now, baste it all night (*Baste: badigeonner la viande)

I need a little in my life

....., yes, please. I can't wait until

Those bits and pieces, I mix them up

Pour on some gravy, and I scoop it up

My roll is soggy, but I don't care. Don't sit by me coz I won't share!

CHORUS

I want some pie now, coz it's so super sweet

Don't let nobody eat it, unless that somebody's me

Cover it in whipped cream, there ain't (=isn't) no other way

Pumpkin pie is better than, well, almost anything.

I don't want no, no

I don't need no

Fill my plate with all the good stuff but especially the...

....., yes, please. And don't forget the gravy

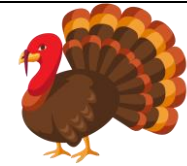

I'm right here, coz I need cornbread dressing and some cranberries

Go and fix up that bird now, baste it all night

I need a little in my life

....., yes, please. I can't wait until (repeat from "Turkey, yes, please")
